Hi Tanya,

Thanks for getting back to me. ☺ I will ask and let you know what I find out. You plan to send them to OP this week, right?

Thanks,

Susan

Hi Susan,

And sorry we lost you at the elevator. Before the doors closed, you asked who would sign the three formaldehyde direct final rules. The EPA Administrator signed the final formaldehyde rule, although that authority had been delegated to the OCSPP AA. So for these direct final rules, the Administrator has the option of signing them or Wendy, as the Acting OCSPP AA could do it. Appreciate you checking to see what is the preference. Thanks.

Tanya
